

117TH CONGRESS  
2D SESSION

# S. 3610

To establish a program to provide environmental assistance in the Chattahoochee River Basin, and for other purposes.

---

IN THE SENATE OF THE UNITED STATES

FEBRUARY 9, 2022

Mr. OSBOURNE (for himself and Mr. WARNOCK) introduced the following bill; which was read twice and referred to the Committee on Environment and Public Works

---

## A BILL

To establish a program to provide environmental assistance in the Chattahoochee River Basin, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Chattahoochee River  
5       Act”.

6       **SEC. 2. CHATTAHOOCHEE RIVER PROGRAM.**

7       (a) DEFINITIONS.—In this section:

8           (1) NON-FEDERAL INTEREST.—The term “non-  
9       Federal interest” has the meaning given the term in

1       section 221(b) of the Flood Control Act of 1970 (42  
2       U.S.C. 1962d–5b(b)).

3               (2) SECRETARY.—The term “Secretary” means  
4       the Secretary of the Army.

5               (b) ESTABLISHMENT.—

6               (1) IN GENERAL.—The Secretary shall establish  
7       a program to provide environmental assistance to  
8       non-Federal interests in the Chattahoochee River  
9       Basin.

10              (2) FORM.—The assistance under paragraph  
11       (1) shall be in the form of design and construction  
12       assistance for water-related resource protection and  
13       restoration projects affecting the Chattahoochee  
14       River Basin, based on the comprehensive plan under  
15       subsection (c), including projects for—

16               (A) sediment and erosion control;  
17               (B) protection of eroding shorelines;  
18               (C) ecosystem restoration, including res-  
19       toration of submerged aquatic vegetation;  
20               (D) protection of essential public works;  
21               (E) beneficial uses of dredged material;

22       and

23               (F) other related projects that may en-  
24       hance the living resources of the Chattahoochee  
25       River Basin.

1                   (c) COMPREHENSIVE PLAN.—

2                   (1) IN GENERAL.—Not later than 2 years after  
3                   the date of enactment of this Act, the Secretary, in  
4                   cooperation with State and local governmental offi-  
5                   cials and affected stakeholders, shall develop a com-  
6                   prehensive Chattahoochee River Basin restoration  
7                   plan to guide the implementation of projects under  
8                   subsection (b)(2).

9                   (2) COORDINATION.—The restoration plan de-  
10                  scribed in paragraph (1) shall, to the maximum ex-  
11                  tent practicable, consider and avoid duplication of  
12                  any ongoing or planned actions of other Federal,  
13                  State, and local agencies and nongovernmental orga-  
14                  nizations.

15                  (3) PRIORITIZATION.—The restoration plan de-  
16                  scribed in paragraph (1) shall give priority to  
17                  projects eligible under subsection (b)(2) that will  
18                  also improve water quality or quantity or use nat-  
19                  ural hydrological features and systems.

20                  (d) AGREEMENT.—

21                  (1) IN GENERAL.—Before providing assistance  
22                  under this section, the Secretary shall enter into an  
23                  agreement with a non-Federal interest for the design  
24                  and construction of a project carried out pursuant to

1 the comprehensive Chattahoochee River Basin res-  
2 toration plan described in subsection (c).

3 (2) REQUIREMENTS.—Each agreement entered  
4 into under this subsection shall provide for—

5 (A) the development by the Secretary, in  
6 consultation with appropriate Federal, State,  
7 and local officials, of a resource protection and  
8 restoration plan, including appropriate engi-  
9 neering plans and specifications and an esti-  
10 mate of expected resource benefits; and

11 (B) the establishment of such legal and in-  
12 stitutional structures as are necessary to ensure  
13 the effective long-term operation and mainte-  
14 nance of the project by the non-Federal inter-  
15 est.

16 (e) COST SHARING.—

17 (1) FEDERAL SHARE.—Except as provided in  
18 paragraph (2)(B), the Federal share of the total  
19 project costs of each agreement entered into under  
20 this section shall be 80 percent.

21 (2) NON-FEDERAL SHARE.—

22 (A) VALUE OF LAND, EASEMENTS,  
23 RIGHTS-OF-WAY, AND RELOCATIONS.—In deter-  
24 mining the non-Federal contribution toward  
25 carrying out an agreement entered into under

1           this section, the Secretary shall provide credit  
2           to a non-Federal interest for the value of land,  
3           easements, rights-of-way, and relocations pro-  
4           vided by the non-Federal interest, except that  
5           the amount of credit provided for a project  
6           under this paragraph may not exceed 20 per-  
7           cent of the total project costs.

8                 (B) OPERATION AND MAINTENANCE  
9           COSTS.—The non-Federal share of the costs of  
10          operation and maintenance of activities carried  
11          out under an agreement under this section shall  
12          be 100 percent.

13                 (f) COOPERATION.—In carrying out this section, the  
14          Secretary shall cooperate with—

15                     (1) the heads of appropriate Federal agencies,  
16                  including—

17                         (A) the Administrator of the Environ-  
18                  mental Protection Agency;

19                         (B) the Secretary of Commerce, acting  
20                  through the Administrator of the National Oce-  
21                  anic and Atmospheric Administration;

22                         (C) the Secretary of the Interior, acting  
23                  through the Director of the United States Fish  
24                  and Wildlife Service; and

1                             (D) the heads of such other Federal agen-  
2                             cies as the Secretary determines to be appro-  
3                             priate; and

4                             (2) agencies of a State or political subdivision  
5                             of a State.

6                             (g) PROTECTION OF RESOURCES.—A project estab-  
7                             lished under this section shall be carried out using such  
8                             measures as are necessary to protect environmental, his-  
9                             toric, and cultural resources.

10                           (h) PROJECT CAP.—The total cost of a project car-  
11                             ried out under this section may not exceed \$15,000,000.

12                           (i) AUTHORIZATION OF APPROPRIATIONS.—There is  
13                             authorized to be appropriated to carry out this section  
14                             \$90,000,000.
